  e.g. r/aislingduval, r/elitehudson
- **8. Technology, crypto & practical projects**
  254 nodes | medium confidence | outside 63.2%
  e.g. r/bitcoin, r/learnprogramming
- **9. Mixed near-clique; topic unclear**
  13 nodes | low confidence | outside 26.5%
  e.g. r/killlakill, r/vmware

Descriptions are qualitative; confidence concerns the interpretation. Colours show structural groups, not observed opinions.

Outside share: fraction of connection ends leading to another group. Internal edges count twice. Review: 2026-10-28
